NEWS FROM THE HOSPITALITY UNION UNITE HERE LOCAL 54

December 2024

Member Spotlight Paul Smith "Smitty", Hard Rock, Cook (full bio on page 3)

I've fought against injustice in states like Florida, Georgia, Virginia, Pennsylvania, New Jersey, and many others. I have been a representative at nine casinos in Atlantic City. I was there when we opened our health center and watched it grow into one of the best benefits our union offers—what we call "one-stop shopping."

Solidarity Alert!

Local 30 - While Local 30 in San Diego was on strike, several Local 54 LOAs traveled to California to support the strikers. Union strong! Thank you!
